Manitoba Chamber Elects New Chair

Small businesses are among the top priority for the new President of the Manitoba Chambers Of Commerce.

Dennis Brownlee of Portage La Prairie was elected Chairman of the organization this past Saturday.

Brownlee says the job comes with a one-year term, adding he's feeling optimistic about the times ahead.

He notes, the chamber is very dedicated to their members, and they want to ensure each of them are getting full value for their membership.

Brownlee adds the chamber recognizes the current economic situation, and will continue to lobby the government to provide more support to small businesses in our province.
